SUBJECT INDEX

Abstracts of interest, 55, 100, 145, 198, 248

Bioelectrical impedance analysis (GEM), 182D
Breakfast habits
  social/emotional behavior of elementary schoolchildren and (article), 226

Cancer
  reducing risk for
    nutrition education program (GEM), 106A
Cholesterol
  screening and education program
    older and younger adults (article), 275
College students
  acceptability of tofu-containing foods (article), 137
Cooking Lite
  employee nutrition seminar (GEM), 182A

Database searching
  nutrition professionals and (article), 241
Diarrhea
  dietary management
    Gambia (article), 15
Diet
  adequacy
    older Americans, energy intake and (article), 284
    behavior change
    older adults, nutrition education program (article), 262
  chronic disease and
    minority populations (article), 89
  desirable changes in
    psycho-social factors (article), 6
  health and
    reducing chronic disease risk (nutrition summary), 34
  management of diarrhea
    Gambia (article), 15
  reducing intake of fat and sugar (article), 169
Dietary Guidelines for Americans
  teaching in Alaskan bush (GEM), 140D
Dietary practices
  adult male and female recreational exercisers (article), 220
Dietetics
  problem-based learning in (article), 97

Eating behaviors
  patterning
    American women (article), 124
